"Patience" Opens At L-W High Nov. 11 For Three Performances

Like all of Gilbert & Sullivan operettas, the music of "Patience" is gay and tuneful and the book has many delightful lines of nonsense aimed in a gentle spoof against the aestheticism craze of the 1880's led by Oscar Wilde.

"Patience" is to be presented by the Lincoln-Way Mixed Chorus under the direction of Tom Olson this week-end. There will be performances beginning at 8 o'clock on Friday and Saturday nights, Nov. 11 and 12. On Sunday, Nov. 13 it will be a matinee, starting at 2 o'clock. Tickets must be purchased from chorus members for the two night performances but matinee tickets may also be purchased at the door of the school auditorium. There will be no door sales for the night performances.

Sir W.S. Gilbert, poet and librettist, and Sir Arthur Sullivan, composer, combined their talents to produce a long string of light operas that are a satire on grand opera, social conditions, politics and politicians and when they drew bead on stuffed -- shirtiness and prideful pomp they never missed. Comic characterizations and ludicrous paradoxical situations that they conceived gave them effective ammunition.

In the production at Lincoln-Way this week, the heroine, Patience, the village milkmaid, is wooed by two poets, leaders of aestheticism who in turn are pursued by the "twenty lovesick maidens" of the opening chorus who have turned their thoughts from the common places to higher things. A Colonel, a Major and a raft of officers of the Dragoon Guards, plus Duke, their former flames, complete the picture.

The two poets are Bunthorne and Grosvenor. Bunthorne is the "Fleishy Poet," and Grosvenor, also known as "Archibald the All Right."

Until the two poets come along the love-life Patience had been rather limited. She had loved but two persons, a great-aunt and a

little boy that she had not seen since "she was four.. and he was her elder by a year or more."

Grosvenor turns out to be the little boy and he and Patience are enraptured to find each other again. But Patience, having been told that love must be absolutely unselfish, rejects the All-Right Grosvenor and accepts the imperfect Bunthorne.

In the end Grosvenor reverts to a commonplace young man in a derby hat and claims Patience. The "twenty lovesick maidens" become engaged again to their military suitors and

Bunthorne is completely dealt out.

The role of Patience is played by Donna Guth, Mokena. Tim Ricketts, Mokena, is Bunthorne, and the part of Grosvenor is taken by Dennis Huffman, New Lenox. Jim Lang, Mokena, is the Duke of Dunstable. Other principal singing parts are taken by Vaughn Whitfield and Bobbie Jo Smith, Mokena; Karen Olsen and Jayne Wheeler, Lincoln Estates; Dennis Englert, New Lenox, and Judy Kalkbrenner, Manhattan. Accompanists will be Harry Smith, Frankfort, and Valerie Tuttle, Mokena.

Here's Chance To Get A Turkey Free

Sixteen area merchants are participating in the annual turkey giveaway in preparation for Thanksgiving.

This is really a giveaway, it was pointed out, because there is no need for anyone participating to buy anything in order to have a chance at the turkeys. And by the same token -- because there is nothing to buy, no ticket, no merchandise nor any obligation to be present -- it is not a lottery.

The only thing one has to do is write his or her name on one of the coupons appearing on the turkey page in this issue and deposit it in a container in the merchant's place of business. In fact there is nothing to

prevent anyone from depositing a coupon in each and every store involved.

The merchants with turkeys to give away are:

NEW LENOX: Lincoln-Way Bakery, Braun's Sales, Abe Frank Liquors, Lincoln-Way Savings and Loan, Country Kitchen, First Lady Beauty Salon, Economy Super Marts, Lincoln-Way Pharmacy and New Lenox Standard Service.

MOKENA: Mokena Pharmacy, Mokena Sales and New Lenox Lumber Co.

ORLAND PARK: Orland State Bank, Normans Cleaners.

FRANKFORT: Frankfort State Bank and Thack's Texaco Service Station.

Schools Will Close Friday - Veterans Day

Tomorrow, Nov. 11 is Veterans Day -- Armistice Day to those who served in World War I -- and most service organizations will be holding open house for the survivors of all U.S. wars.

It will also be a holiday on school calendars so it will be a long week end for students, grade and high school.

For the benefit of later generations, including those students, Nov. 11, 1918 was the date on which the armis-

tice between the Allied governments and the German government went into effect. The time was 11 a.m. and for the first time since the beginning of World War I the guns on the Western Front were silent.

Until recent years Nov. 11 was known as Armistice Day. But now several wars have been fought and so someone named it Veterans Day and Congress decided to recognize it, giving it the status of a legal holiday.

GOP Sweeps Will County -Woodard Leads Ticket

The Republican ticket carried Will county in the general election Tuesday, in state and district races as well as at county level.

The only thing in doubt when this was written Wednesday forenoon was the 41st state representative contest. Francis J. Loughran, incumbent Democrat, was trailing W. Robert Blair of Monee Township, Republican incumbent by about 400 votes with one Joliet Township precinct, the 76th and Democratic, missing.

John Houlihan, Park Forest, Democrat incumbent, led the race with a total of 61,912 votes, followed by William "Bill" Barr with 50,137 1/2. Blair was running third with 48,964 1/2 and Loughran had 48,576. Three are to be elected.

There was no doubt about the county races however. The Republicans won with plenty to spare, thanks to the support given them in the outlying areas. In Will County the country is still Republican country. Joliet Township, as usual, went Democratic, by a large count in some cases but the Republicans weathered the storm and regained their health in the outlying sections.

As a matter of fact Ray Page, running for state superintendent of public instruction was the only Republican to beat his opponent in Joliet Township. Page scored a total of 15,375 to 15,205 for Donald Prince. With their county totals the two candidates wound up with 39,840 for Page and 29,981 for Prince.

Clara Hartley Woodard, completing her first term in the office, was re-elected with an overwhelming vote. She led the entire GOP ticket with her tally of 40,817. Her Democratic opponent was Marie Mikan Splers, who received 30,370 votes.

Clarence Lipman (R), polled 36,518 votes to 33,185 for Richard Coyne (D), in the contest for county treasurer.

Martin J. Jackson, Republican candidate for sheriff, clobbered his opposition, Joseph Snedic, former chief of police at Rockdale. Jackson received 38,137 and Snedic 33,090.

Boyd Bucher, serving out the term of Verne E. Crackel, resigned to become assistant state superintendent, easily defeated his Democratic opponent, Mark DeLay, village clerk of Romeoville and a school superintendent in a district near Hinsdale. Bucher polled 39,658 and DeLay, 29,949.

Robert E. Higgins (R), Joliet, defeated August J. Santoro, village attorney of Frankfort and assessor in that township, for circuit judge in the 12th circuit. Higgins got 38,451 votes in Will county and Santoro 30,275. The 12th is made up of Kankakee and Iroquois counties, both of which went Republican. Higgins received 16,156 on incomplete returns from Kankakee County and 8,193 on incomplete figures from Iroquois. Santoro received 10,628 and 2,997 in those counties respectively so the incomplete returns for the entire district give Higgins 64,800 to Santoro's 43,900.

John Erlenborn was re-elected in the 14th congressional district, which is made up mostly of DuPage County precincts plus Joliet, Lockport and DuPage townships in Will. He defeated his Democrat opponent, Kenneth McCleary, by approximately 50,000 votes, it was reported.

Leslie C. Arends veteran congressman from the 17th district to which most of Will County has been added also won by boxcar figures.

The Democrat in this race was Bernard J. Hughes.

State Senator Harris Fawell, who was opposed for re-election by William Smythe (D), Lockport, was also a winner. Smythe held him fairly close in Will but Fawell surged ahead in DuPage and was an easy victor.

Charles Percy (R) who defeated veteran U.S. Senator Paul Douglas polled 40,141 votes in Will and Douglas received 31,175.

Republican Harris Rowe beat Adlai Stevenson (D) for state treasurer in Will county, 35,600 to 35,193 but was losing in the state.

Meade Baltz was elected state senator in the 41st District made up of Will and Grundy counties, defeating Martin J. Gleason (D) of Joliet. Baltz polled 30,206 votes in Will to 25,882 by Gleason and was leading Gleason in Grundy by some 1,500.

Burros Take Tinley Park In Last Game

The League Champion Burros PeeWee team proved it was no Fluke Sunday when they went over to Tinley Park and beat the Bull Dog Pupils 12-0.

Al Behnke's 27 yard run was the highlight of the game. Stiff defense by the Burros held Tinley to small yardage. Jim Craven, Tommy Collins and Bob Pandow led the defensive team with some great blitzing by Randy Boyd.

The 100 lb. team looked polished and strong as they hammered a weak Bulldog

line all day. Mark Krueger, having his greatest day scored all three Burro touchdowns. This certainly was no disappointment to the coach, his father.

Again it was all defense and the Burros pride and joy, their big Four in line: Patterson, Dickerson, Toolsey and Paben demoralized the Tinley Park line. The annual Awards banquet will be held this Saturday, Nov. 12 at Camp Manitou on Sauk Trail in Frankfort at 6 p.m.

L-W Takes Beating From Bremen Braves

Lincoln - Way fans who accompanied the football team to Midlothian last Saturday for its game with Bremen High saw a lot of action but nothing to cheer about.

In its last game of the season the Knights of Lincoln-Way were not just scalped by the Bremen Braves, they were beaten, mauled, clobbered, trampled, blasted -- pick your own verb. The final score was 67 to 6 and a guy named Street accounted for 55 of those points. The line-up doesn't give Street's first name but it could very well be One-Way because that is the way he went, just one way and toward the goal line.

Street is a fullback and it isn't often that a fellow holding down the fullback job goes roaming all over the lot. Bremen used 56 running plays and Street toted the ball on 32 of them for a total of 352 yards. His longest gain was 46 yards and only once was he nailed behind the line of scrimmage and that was for only a yard loss. His average carry was 12 yards and in addition to his line battering he also grabbed a couple of passes for another 18 yards.

Lincoln-Way, which has been plagued by injuries this season and in Saturday's three of their key players were taken out because of hurts and Dale Brown, line-backer, was tossed out. Despite the lopsided score Lincoln-Way was in there pitching and gained 206 yards, 121 of them by passes. The Knights quarterback completed 8 out of 16 passes.

Lincoln-Way scored in the third quarter. Martin hit Novak with a 50-yard pass that took him to the Bremen 8-yard line. Two plays later and from five yards out Martin went over for the touchdown. Bremen scored 13 points in the first quarter, 21 in the second, 12 in the third and 21 in the fourth.

Rutledge Dist. Voters Defeat Bond Issue

Voters of the Ann Rutledge School District, Lincoln Estates, rejected a proposed bond issue for an addition to the present building last Saturday, Nov. 5.

There were 147 votes cast out of a possible 400, it was said, and the results were: No -- 83 Yes -- 61 There were three spoiled ballots.

Lincoln Estates has supported school improvements in the past but this time the results were different.

Some residents believe that too much emphasis was put on extra facilities rather than such things as classrooms, some believe not enough information was given the public and some think that a number of people just didn't want to pay more taxes.

Sandburg Finishes Second In Football

Sandburg High School's varsity football team wound up in second place in the standings of the Southwest Suburban Conference with five wins, one tie and one loss in league play.

The Eagles played their last game of the season Saturday and outlasted Evergreen Park to win 20 to 12. It was a scoreless tie at halftime and by the time the third period ended Sandburg was lagging 12 to 7. As it turned out that was the scoring crest reached by the Parkers while Sandburg counted 13 points in the final frame to win with eight points to spare. One of Sandburg's touchdowns was on a fumble in the end zone that was recovered by Johnson. The other two counters were more orthodox. Linewski went over from the 4-yard strip and Lavine from the one. Johnson kicked two points after touchdown but missed on one of the attempts.

Football players and hangers of Sandburg were feted at a banquet in the school cafeteria Tuesday night.

Nov. 8. The Eagles Boosters Club was in charge. Letters and awards were handed out to members of the various football and cross-country teams.

Police Dance

The Frankfort Police Association will sponsor its first dance tomorrow night, Nov. 11, and hopes it will be the first of a long string of annual like affairs.

The dance will be held in the Frankfort Veterans Memorial Building, West Nebraska St. Tickets are \$4 a couple and may be purchased at the village hall today or at the door. Music will be provided by the Woody Cagwin orchestra.

Proceeds from the dance will be used to purchase equipment for the department. Two radio receivers have been ordered on the strength of the advance sale of tickets for installation in the private cars of two officers so they may keep informed when off duty, it was announced by Chief Ted Massey.

Frankfort To Fluoridate Its Water Supply

Fluoridation of the public water supply of Frankfort is to take place as soon as the equipment necessary for the process can be installed. This was the decision of the Frankfort Village Board at its regular meeting Monday night.

It approved the purchase of two pumps, to be installed at the two wells to inject the fluoride into the mains, plus a supply of the chemical. Trustee James McLemore, who has been investigating the needs in setting up such a system, reported to the board that the pumps could be purchased for \$270 each and the chemical would run approximately \$50 a drum so that the initial outlay required is about \$700.

The decision Monday has concluded a lengthy discussion on the subject. Dr. Joseph Petnuch, Frankfort dentist, has been urging the village board to fluoridate the water for several years.

McLemore was appointed to investigate the cost of the proposal, more than a year ago. At that time the process was such that the equipment was quite expensive and trained personnel were required to operate it. The costs would have run into thousands of dollars, McLemore reported then, an item the village could not afford to finance. Since then, however, the process has been simplified and is practically automatic. It will cost the village about \$300 a year for chemicals and maintenance, McLemore said.

Fluoride in water is an excellent preservative for the teeth, old as well as young, dentists report and the medical profession has added its approval to that of the dentists, it was stated.

Some persons contend that fluoride in drinking water is harmful but the dental groups state that tests show this not to be a fact.

The State Air Pollution Control board has written of-

ficials of the S & S Sink Top Co. reminding them that Dec. 9 marks the end of its permit for open burning of waste products. In compliance with the company's request the board sent it a list of sources for special incinerators. The company must either use a special incinerator or have the waste material hauled away to a dump operated on the fill method. The state is cracking down now on garbage dumps that burn refuse.

The village trustees have made their usual purchase

of candy to be distributed to the school children at the annual Christmas programs in the schools. The trustees have ordered 42 dozen packages at a cost of about \$135.

On recommendation of Trustee McLemore the board approved the bid of Cooper-Show Ford for a new police car. The net bid price was \$1,541 which was \$43 less than the Warning Chevrolet price of \$1,584.

An ordinance annexing 67 acres of land running from just north of the cemetery to U.S. 30 was approved

by the board. A. H. Krusemark Jr., who is one of a group that owns the property, asked for the annexation with the understanding that if their zoning requests are disapproved they will seek detachment from the village. Krusemark said they will ask that a portion of the property be zoned for light industry and the remainder be zoned for multiple dwellings. The dwellings would be located along and near U.S. 30. Immediate development is not expected, Krusemark said.

Board Holds Up Action On Central Water System

Means of financing a proposed central water system for New Lenox is getting careful study by the village board.

The board could issue revenue bonds or it might be able to get a federal grant for a sizable chunk of the cost or failing that be able to wangle a loan thru the FHA, it was said.

Robert Hamilton, engineer, called in by the village to help with the planning, told the board at its meeting last week that the money it could hope to get thru the federal government would be covered by several restrictions.

For example, he said, plastic pipes of small diameter are prescribed by the government agencies on the grounds that such water supply be used to supply a community with water for domestic purposes only -- drinking, cooking and presumably bathing. There would be no water for fire protection, Hamilton said he has been informed, and apparently there would be none for industry if industry could be persuaded to locate in the area.

Village officials said that

fire protection would be a must and no system built unless it provided for same.

Hamilton pointed out that under the federal rules such a water system would be difficult, if not impossible, to extend to serve new areas which might be added to the village.

The forecast for the future is that the New Lenox area will be crowded with people within the next 10 to 20 years and a water system such as is said to be provided for thru federal loans would be as effective as fighting a prairie fire with a water pistol, it was said.

In applying for federal help, Hamilton said, the village will have to submit a detailed report showing, among other things, the cost of the proposed system, the rates to be charged, the income of the residents and the nature of their employment.

Any water system plan for New Lenox also would include the enlargement of the sewage treatment plant, now operating at capacity, it was said.

Trustee Chester Bowman who has been working on a

program to provide the village with a central water supply for many years, believes some plan could be worked out where some help could be obtained from the government and at the same time provide for fire protection and future expansion moves. He proposed that Hamilton be authorized to draft the report covering the proposed system which would have to accompany any application for government help.

Hamilton estimated the cost of the proposed system, which would be adequate for present and near future needs, at approximately \$500,000. The normal engineering fee for a report such as New Lenox needs is 1% of the estimated cost but that he would do the job for \$2,500 if assured that he would be the engineer if it were decided to go ahead with the project.

Trustee Evans Drotts said that he thought the board should give the matter more study. It may reach a decision, it was said, by the time it meets in December. In the meantime Hamilton will not do any work on the report.

Mayor Stanley Gilbert suggested it would be helpful to board members if Hamilton would send each a copy of a letter spelling out what goal the village should strive for in building a water system and how best to reach it, together with figures on the possible cost.

The village is also negotiating with the Illinois Municipal Water Co., which is serving a limited number of homes inside and outside the village, for the purchase of that system in the event the village proceeds with its own system. The two systems would be joined but it was estimated that considerable work would have to be done to get the private system up to expected village standards.

Keeps Longer Hours Today

The Frankfort Village Hall will be open extra hours today. In addition to the regular hours it will be open from 6 to 9 o'clock tonight, it was announced by Village Clerk Walter Pfaff.

The hall was closed for village business on Tuesday because it was in use as a polling place in the general election, and Wednesday is the normal day of closing.

Pfaff, therefore, decided to have the hall open extra hours today.

Hope For Settlement Of Village Park Case

Whether the Village of Mokena will turn to the courts to determine the title to the Village Park or Public Square which lies between Second and Third Sts., on Union, will depend upon the opinion of the Chicago Title and Trust Co., which is now studying the case.

Should the title company's opinion hold the interest of the village secondary to the heirs of Allen Denny then Village Attorney Ronald Galowich has been authorized by the Village Board to start suit to determine the title to the land. Should the opinion favor the village then the village would take no further action unless it would be to defend title against any possible suit by the Denny heirs.

It is believed that such action would be exceedingly remote because the money value of the property would not be sufficient to warrant court action, it was said, and the only possible persons to benefit would be the attorneys.

It has always been believed by Mokena residents that title to the property vests

in the village for the benefit of the citizens. It was allegedly dedicated by Allen Denny for religious and public purposes. Denny laid out the first addition of what later became Mokena and the Public Square as he is alleged to have termed it, was a part of the tract.

A statement recognizing that the Public Square was a part of the addition was signed by the other property owners of that time.

A portion of the parcel has been used as a park and is provided with playground equipment. Two churches were also built, the Methodist adjacent to Third St. and the Immanuel Lutheran, next door north.

The Methodist Church is still in use but recently the Lutheran congregation moved to its new church on LaPorte Rd. The old church is the cause of all the current stir over titles.

The Lutheran Board entered into negotiations with the newly formed public library district for the sale of the building for a reported figure of \$1,500. The library board is said to have agreed. The Village Board takes the position that the

property belongs to the village and the buildings go with the ground. The trustees are satisfied, however, to share the building with the library.

Thus, it was pointed out, the Mokena taxpayers would save money. The library district needs a library and the village needs a new and larger village hall. To build both new would cost a substantial sum, it was pointed out, while the old church building could be put in condition to serve both taxing bodies for between \$2,000 and \$3,000.

Village Attorney Galowich said that the title search has failed to turn up any record which would indicate that the Lutheran congregation as such, had any claim on the property.

It is not expected that the Chicago Title and Trust will be ready with its opinion for another 10 days or longer, Galowich said.

Galowich is hopeful of an amicable settlement of the case as a means of saving the village money. A lawsuit would probably cost the village at least \$1,000, he said.

MRS. EDWARD HOVI
Telephone: 479-5740

The eighth grade youngsters are planning a Clean-Up Day next Saturday morning, Nov. 12, beginning at 9:00 a.m.

On this day all the eighth graders will be available to assist in the cleaning of garages, basements, yards, and etc. The girls will also be available for baby-sitting and household cleaning.

If you will be in need of one or more of these youngsters, please contact the school at 479-2106 until 3:00 P.M. After school hours the number to call is 479-9595.

The proceeds from this Clean-Up Day will be added to the fund to finance the eighth grade in their annual trip.

The eighth grade will also have a monthly bake sale which will be held at the school on the first Saturday of each month to add to the trip fund. Please help by supporting these projects.

The Girls Volleyball Team is the proud recipient of the first state trophy in the tournament at the Kirby School in Tinley Park. This is the first such tournament

in what will be an annual competition.

The Cheerleaders have been chosen for this year. They are: Nan Kronick, Jan Karkos, Jill Neumayer, Laura Lillvik, Jan Machmeyer, Caludia Cullison, Ruth Terracina, Beverly Cooper, and Connie Rose.

With the annual celebration of National Education Week upon us again, a reminder is put out to the parents that they are welcome to see the school either now or at a future time. The only stipulation being that the parent should stop at the office and sign in so that the office is aware of his presence.

I'm sure that the children will be delighted to know that this is report card week, as a further "celebration" of National Educational Week.

Our school yard is beginning to shape up even more this week with the addition of eight more new trees donated by Mr. Thacker from Tinley Gardens.

They were planted last Thursday morning by Walter Kopp with the generous assistance of Mr. Paul Schu-

The women of the school district should receive a long rousing cheer from the parents for their smooth workings at the school on the lunch program. The ladies supervise the lunch after helping to set up the facilities and top off the day by cleaning up afterwards.

The facilities are all too inadequate to handle a large number of children, and these ladies are doing a remarkable job every day.

The Cadette Girl Scouts are holding their meeting in the home of Mrs. Dan Markowski, the leader. They have held two meetings to date plus one Halloween Party.

With the addition of two new girls there are, at present, fifteen girls in the troop.

The girls are planning a trip to the Salem Old Peoples Home in Joliet to visit their adopted Grandma and Grandpa with the tentative date being Nov. 25.

The Cub Scouts held their first regular Pack Meeting at the school on October 28. The evening, of course, had a Halloween theme with a judging of the masks, made by the boys ending in a tie.

Mr. John Hayden entertained the boys with both a Halloween song and a story to set the mood.

Bobbing for apples on a string was much less sloppy than the traditional water method, but just as much fun for all.

The Pack meeting ended with refreshments being served to both boys and their parents and families.

It was announced that the boys would be shown the fundamentals of archery by Mr. Rutan at his home with the Pack being divided into two

Special School Election Nov. 19

MRS. VIRGINIA SASS
Telephone: 485-6424

A special election will be held at the Homer School on Nov. 19 with polls open from 12 noon to 7 p.m. for building three classrooms and an all-purpose room for not more than \$198,000. Homer School will be the only polling place. Present classrooms are designed to accommodate 25 students and are now housing as many as 40 students. The recommended teacher load is 25 to 30 students per teacher. The rapid growth of the community has already forced a classroom to be formed from the present all-purpose room thus there is inadequate room for lunch, physical education, storage and meetings.

Rich East Again Wins Grid Title

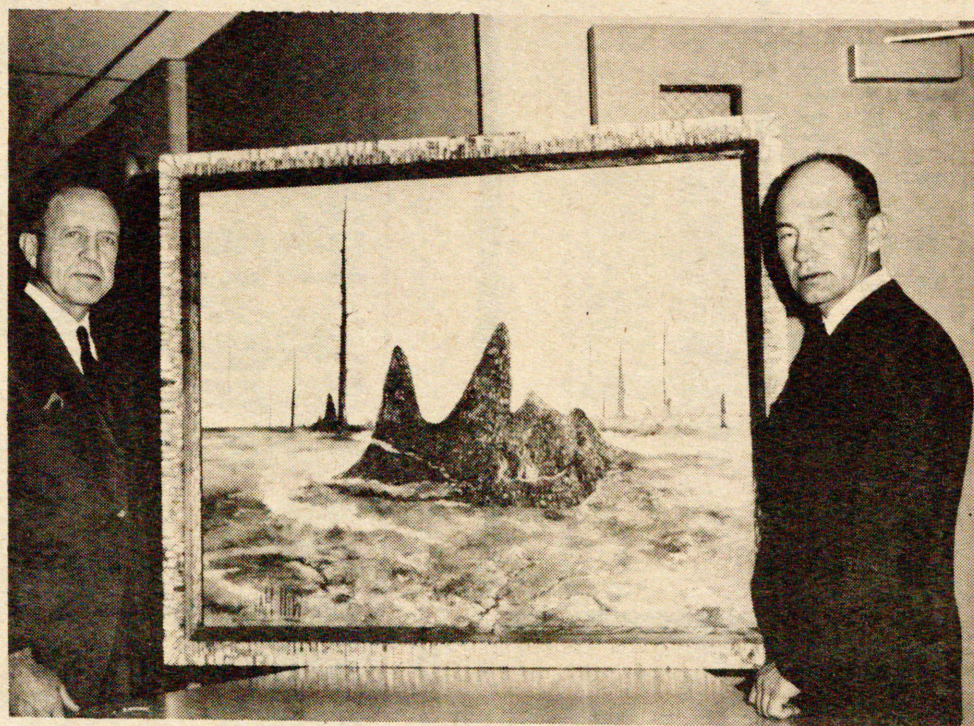

Rich East wrapped up the Southwest Suburban Conference championship last Saturday in typical championship Rich East fashion -- a 14 to 0 win over Oak Lawn. This practically amounts to a moral victory for the Oak Lawners.

Rich finished the season with seven wins and no defeats in conference play. In fact it went thru the season undefeated in conference or non-conference competition.

Rich had a fine team and was the class of the league and that isn't taking anything away from some other fine teams in the SWS.

Hunter Chapman (left) for the school at a recent assembly at which the artist also displayed a painting of his proposed "Space Flight Monument" that he would build as a national memorial. The painting shown here, a burned over forest, Mr. Harder told the students shows "the end may be just the beginning. I intended to show what appears to be the end is only a challenge for those who know that faith has no bounds, no limits, and that all things must change." Last year Harder received world wide acclaim for his famous painting of the Berlin Wall. (L-W photo)

N.L. Schools Hire Speech Therapist

A full time speech correctionist is employed by the New Lenox School District 122 to provide speech therapy for 85 pupils who have speech impediments and are attending the New Lenox Schools.
